Market Policies

Welcome to the 2021 Bartlett Station Farmers Market season in the new A. Keith McDonald pavilion. This next season promises to be fantastic! There have been a few changes, so please read the following carefully.

- The BSFM Advisory Board approves policies and procedures.
- The Market Season will run from May 15, 2021 through October 9, 2021. Hours of operation will be Saturdays from 8:00am until Noon. Set-up is from 7:00am until 8:00am and break-down is from Noon until 12:30pm. If you arrive after 8:00am you will not be able to set up in the pavilion. However, we will have over flow spots in the parking lot. If you are in the pavilion you will not be able to leave before 12:00.

No vehicles will be moved inside of the market boundaries between 8:00am and Noon.

- **Payment Options:**
Full Season: \$150.00 paid in full prior to April 30th
Half Season: \$75.00 paid in full prior to April 30th
Single Pay Vendors: \$30.00 per Saturday will be collected at the end of the market day.
If you decide to become a season vendor the \$30.00 will be subtracted from your season fee.

Part time vendors must schedule their Saturdays. If possible we will coordinate weekends so two vendors can share a space in the pavilion.

- This market promotes locally grown / produced items. It is the discretion of the Market Manager to allow any items that are obviously not considered local. Your signature on the application page signifies your testament that your items are locally produced. **DO NOT purchase produce from another farmer or wholesaler to sell at this market.**
- Producers of prepared / packaged goods must be permitted and inspected by the TN Department of Agriculture Regulatory Services prior to selling at the Market. Contact William Thompson, Food Manufacturing Administrator at 615-837-5193 for all information. Producers outside of TN must obtain an inspection and permit from their state. The Market Manager must have copies of current inspections and permits. Please submit copies with your application and keep a copy at your booth during operating hours.

- If you sell items by weight, the Market Manager must have a copy of your scale certification from the Shelby County Weights and Measurers Department (901-545-3920). If you are located outside of Shelby County, contact your county's department for certification.
- Growers must obtain a letter or grower affidavit from their county extension agent stating what crops are grown and where they are grown. The Market Manager must have a copy of this letter on official letterhead.
- Vendors of edible goods are responsible for carrying \$1,000,000 liability insurance, including product coverage. The Market Manager must have a copy of your certificates of insurance naming the Bartlett Station Farmers Market and the City of Bartlett as additionally insured entities.
- Vendors must only sell items that they have listed on their application or obtain prior approval from the Market Manager.
- All produce and items for sale must be displayed or stored at least 6 inches off the ground.
- Prices must be clearly marked for all items.
- Vendors should abide by all city, county, state and federal regulations that govern sampling, production, labeling, and safety of any product offered for sale at the Market. Any items that pose a possible threat of botulism or other contaminants due to production process must be inspected by the USDA.
- Vendor spaces will be assigned. Returning vendors in good standing will receive priority assignment. In order for your customers to find you, do not move from your assigned space throughout the market season. If a partial-season vendor finishes, placement adjustment may be approved.
- Signage at your booth must include your farm or business name and location.
- The Market Manager has the authority to prohibit the sale of items that do not meet Market standards.
- Vendors shall not smoke within the market boundaries.
- Collection and payment of sales tax is the sole responsibility of the vendor.
- Park trash receptacles are for customer use or light trash only. Agricultural waste and broken-down boxes should be hauled away and recycled if possible. Vendors are responsible for policing their areas for trash upon tear down.
- The Market is a "rain or shine" market. In case of severe weather, the Market Coordinator will make the decision to close the market for the day or temporarily. If the market is closed for severe weather, all vendors should seek suitable shelter.
- Firearms are not allowed inside of the Market, unless carried by an authorized law enforcement employee.

- To reduce the possibility of crimes of opportunity, all money must be secured. Any money bags/boxes should be stored underneath tables and no loose money should be placed on tabletops. Report any incidents immediately.
- For the safety of our customers and vendors, tents shall be secured. The method suggested is a cement or sand-filled plastic container tied to the upper tent frame at each leg, or as a minimum, at two opposite corners. Place weights close to the tent leg and avoid using something that is rough or may scratch our customers' legs. Weights and lines should be highly visible.
- Broken tent frames will not be allowed. If a tent breaks during a market day, it must be repaired to full function or replaced before the next market day.
- Injuries to vendors or customers should be reported to the Market Manager immediately.
- Minor First Aid will be available during market hours. In case of an emergency, DIAL 911 immediately and send someone to notify the Market Manager. Follow the instructions of the 911 Dispatcher until relieved of responsibility.
- A fire extinguisher will be available at the Market Information Booth. Do NOT attempt to fight a fire if the possibility of bodily injury exists. DIAL 911 immediately and send someone to notify the Market Manager.
- Farm and production facility visits are conducted by market personnel.
- All vendors are highly encouraged to participate on their elected Saturday! Please contact the market manager if you cannot attend, so we can advise your customers. If you miss more than 2 markets without notifying the market manager you will lose your spot in the pavilion.
- Vendors are responsible for providing tents, tables, chairs, and other materials needed for operation. All materials must be kept inside of your booth area and may not impede the flow of traffic or block access to another vendor's area.
- Market disruption, unprofessional behavior, or disregard for these policies and procedures will result in exclusion from Market participation and forfeiture of Market Membership Fees.

Parks and Recreation: A. Keith McDonald Pavilion Rules & Regulations

- Clean the area around the pavilion at the end of the event and place all garbage in the provided garbage cans. The rented area should be clean and undamaged following your event.
- All guests must exit the area and the pavilion must be clean by the end of the event.
- **NO** alcoholic beverages, no deep fryers, train rides, dunk tanks, or petting zoos.
- **NO** parking on the grass, no driving on the walking trails, this includes loading and unloading. Please unload and load from the designated area. Move any trucks/cars blocking the entrances or walking trails.
- **NO** balloon releases are allowed or activities with glitter or confetti. Do not mount any decorations on the pavilion.
- Pets must be on a leash at all times, be considerate of others, pick-up after your pet.
